Graphic Designer Job Description

We are seeking a new graphic designer to join our team. You will be designing a wide variety of things across digital and offline media. To be successful in this position, you'll be a self-starter, capable of delivering brilliant creative ideas, and show amazing attention to detail.

Graphic Designer Responsibilities:

- Planning concepts by studying relevant information and materials.
- Illustrating concepts by designing examples of art arrangement, size, type size and style and submitting them for approval.
- Preparing finished art by operating necessary equipment and software.
- Coordinating with outside agencies, art services, web designer, marketing, printers, and colleagues as necessary.
- Contributing to team efforts by accomplishing tasks as needed.
- Communicating with clients about layout and design.
- Creating a wide range of graphics and layouts for product illustrations, company logos, and websites with software such as photoshop.
- Reviewing final layouts and suggesting improvements when necessary.

Graphic Designer Requirements:

- Bachelor's degree in graphic design or related field.
- Experience as a graphic designer or in related field.
- Demonstrable graphic design skills with a strong portfolio.

- Proficiency with required desktop publishing tools, including Photoshop, InDesign Quark, and Illustrator.
- A strong eye for visual composition.
- Effective time management skills and the ability to meet deadlines.
- Able to give and receive constructive criticism.
- Understanding of marketing, production, website design, corporate identity, product packaging, advertisements, and multimedia design.
- Experience with computer-aided design.
- A minimum of 1 year experience
